The Adventures of the Fearsome Pirate Frank

Book By Pat Lydersen Music and Lyrics by Wendy Woolf

Who knew the pirate craze dated back to Shakespearean time?! Apparently, the star of a popular pirate play — *The Fearsome Pirate Frank* — is the teenage heartthrob of every girl in Shakespearean England, even though he can't remember his lines for the life of him! However, when the actor playing Frank and his supporting cast, including prima donna Esmerelda, get kidnapped by real pirates during one of their productions, it's good-bye stardom, hello servitude on a real pirate ship! Two witty narrators and a stream of hilarious sign-carriers keep the musical moving as we see the pirate actors taking orders from the real pirate Frank... who is a woman! But pirate actors are not the only ones hijacked in this hysterical musical comedy... so is the plot from a particularly popular pirate flick! The chilling flashback sequence of how Cap'n Frank get the dreadful "Blackmark" will shiver your timbers, and Esmerelda's lament about losing her makeup case will blow you down! Join the crew of nightmare sailors, zombie pirates, singing sirens and even Spiderman in this zany musical romp!

Session 2

Seussical: The Musical Jr. July 1-21, 2019

Horton the Elephant, the Cat in the Hat and all of your favorite Dr. Seuss characters spring to life onstage in *Seussical JR.*, a fantastical musical extravaganza from Tony-winners, Lynn Ahrens and Stephen Flaherty.

Transporting audiences from the Jungle of Nool to the Circus McGurkus, the Cat in the Hat narrates the story of Horton the Elephant, who discovers a speck of dust containing tiny people called the Whos. Horton must protect the Whos from a world of naysayers and dangers, and he must also guard an abandoned egg that's been left in his care by the irresponsible Mayzie La Bird. Although Horton faces ridicule, danger and a trial, the intrepid Gertrude McFuzz never loses faith in him. Ultimately, the powers of friendship, loyalty, family and community are challenged and emerge triumphant!

Seussical JR. provides wonderful creative opportunities in terms of set design, lighting and costuming and can easily accommodate a large cast of expandable "Seussian" creatures.
